I am running on a platform of 3Rs – RESPECTFULNESS (for each other, the land, and traditions), RESPONSIVENESS (innovative financing, flooding, road issues for Hawaii Island), RESOUCFULLNESS (invasive species, energy, water & waste management).

I will continue walking this diverse district (look for the Red Hat!) and at talk-story sessions in Orchidland, Kea'au, Mountain View, Kurtistown, Panaewa Equestrian Complex, Waiakea-Waena and Waiakea-Uka. I know we can learn about challenges and opportunities for our community and our island, from coqui and ice control to our sustainable future.

I will ask our seniors to share their mana'o about our amazing history - the Kahiko Pele Trail, the Kazumura Lava Tube and sacred sites, the Ailau Flow, Waiakea Plantation, Iwalani Street redevelopment, Panaewa Zoo and Equestrian Center and mauka ranches, Railroad easements, and the story of Ola'a.

I was raised in Burma and India and arrived in Hawaii in 1970 as a Pan American Airways crew member for 20 years. I have worked in many union positions and my own business. I moved to Hilo in 1991, raised my two daughters through the Waiakea Complex, HCC and UH-Hilo where I am also a part-time student. I have been involved in more than 20 years of administrative and executive experience in the complex issues of our times.

I humbly offer a lifetime of experience in collaboration, consensus and community building. It would be my honor to serve, and I ask for your support on Election Day. Please call 989-1899 or see www.paulaforcouncil.com.
